U: Okay... sounds strange. Eeh... and also I would like to know a little bit about myself, I'm an aquarius and I want to know my lucky day.

S: You're an aquarius you said?

U: Yes. Don't say tuesday. Haha. That's my hate day.

S: You said tuesday? It is not in my horoscope information for you.

U: You can't find anything? Hmm... I would like to know about my horoscope for tomorrow, what does it say?

S: You want to know the horoscope for tomorrow?

U: Yes.

S: And which zodiac sign?

U: For aquarius.

S: Aquarius horoscope for tomorrow.... october 12?

U: Yeah, it is october 12.

S: Ehm... The horoscope for october 12 is: "ready for an odd and unusual playmate? You better be because at least one interesting person will be along shortly. Don't expect them to behave like anyone else you've ever known.

U: Haha... okay...hmm. That sounds interesting. Let's see what happens tomorrow then haha. And can I also ask about the horoscope for yesterday for cancer?

S: The horoscope for cancer yesterday?

U: Yesterday yes.

S: It was... I'm searching. "You're not in the mood for anything that even remotely resembles reality. You want to build castles in the sky and to live in them with prince or princess of your choice. Just in case it's not possible, have a back up plan."

U: Hmm...

S: The lucky time was 1 am.

U: Haha. Okay. And let's see, one last question. Then I want to know which eh... I want to know... compatibility with sign for capricorn. Capricorn.

S: You want to know what capricorn is compatible with?

U: Yes. For zodiac sign.

S: It is compatible with libra.
