

Tarot reading 1

S: hi, how can i help you?

U: i would like to know how to do the love cross

S: it is easy to do....it is...it's easy to do a love cross. First, the central card, or the theme, will stand for the present state of the issue between the querant and the other person.

U: yea, i got it.

S: okay, good. Let's move to the second one.

U: can i ask what the card means?

S: sure

U: what does it mean? It's the eight of wands

S: The eight of wands represents rapid action, movement and quick decisions.

U: thank you

S: ok, now place the second one to the left of the theme, to represent the querant's perspective.

U: what does the knight of wands mean?

S: the knight of wands action, adventure and fearlessness.

S: now place the third card to the right of the theme, to show the other person's place.

U: just...i know what it means. We can move on.

S: great! The fourth card, placed below the central card, is the foundation of the relationship, or something in the past contributing to the current issue.

U: mhm. Yes

S: do you want to know...

U: no

S: okay.

S: the next card...finally, the fifth card is placed above the central card, to show the likely outcome.

U: what does the 3 of wands mean?

S: the 3 of wands means looking ahead, expansion and rapid growth.

U: thank you

S: you're welcome

Tarot reading 2

U: hi

S: hi, welcome! What can i do for you?

U: i was looking to learn how to do a mental health cross

S: yes, sure. Ummmm...umm, firstly, you put the first card on the bottom.

U: ok

S: this card will tell you what you're seeing in others that you can't see in yourself

U: hmm, the ace of pentacles. What does that mean?

S: umm, let me see..the ace of pentacles represents the...

U: hmm, interesting. What's next?

S: the next card, the second card, you place that on the left...side.
U: hmm, the knight of spades. Interesting. I know this one. What's next?
S: uhh, the third card you place in the middle.
U: ok
S: this card tells you what part of the projection you can reclaim.
U: ok, thank you
S: the fourth card you place on the right side. This card tells you what feelings you'll experience when you release this pattern.
U: ok, the fool. It means i will begin a new journey.
S: yes, that's right. And the last card, the fifth card, you place on the top, and this card will tell you what you gain um, whether it be a skill or knowledge, by reclaiming this projection.
U: thank you, this has been really insightful.
S: i'm glad to hear that. Thank you very much.
U: have a nice day
S: bye!

Tarot reading 3

S: hello!
U: hi!
S: how can i help you?
U: i was looking to learn how can i do a past present future spread.
S: well, the first card you pull represents elements from the past affecting present events. This gives you some clues about themes.
U: hm, thank you.
S: the second card you place in the middle shows the nature of the question, or the querant's, the querant's position.
U: hm, the seven of cups. What does that mean?
S: the seven of cups means illusions and having many options open for you.
U: hm, sounds right. What's next?
S: the third card represents The likely outcome.
U: i see. Thank you for your time.
S: you're welcome, bye bye.
